

## Event Leader Duties

- Attend all mandatory Rodeo Event meetings Saturday before competition.
- Familiarize yourself with the Rodeo Rules prior to competition.
- Ensure the Judge has completed event site checklist prior to competition.
- Familiarize yourself with event site boundaries (indicated by traffic cone with Rodeo Flags attached to it).
- Identify your scorekeeper location.
- Identify your staging area.
- Double check competitor's number matches the competitor's name.
- Check off competitors as they complete your event site. (A list of competitors will be provided).
- Keep competitors moving through the competition with no unnecessary delays.
- Ensure the judge and competitor don't work for same company. If there is a conflict the Event Leader will swap places with the Judge for the competitors affected.
- **If there is a protest or problem at an event notify the Master Judges immediately.**
